As a mobility manufacturer, our job is not only to manufacture cars but also to manufacture mobility solutions, which are sustainable in nature.

**PUNEET ANAND**

Assistant Vice President & Group Head- Corporate Affairs & Corporate Communication, Hyundai India

India needs to find its own mobility solutions. A multi-pronged approach, like the use of waste-to-energy, ethanol, etc., should be taken into consideration for reaching India's vision of a carbon neutral economy.

**CV RAMAN**

Chief Technical Officer  
Maruti Suzuki India Limited

The most important feature in the Smart Cities landscape, is smart mobility. Smart mobility will define the way everything moves, from goods to people.

**JAIDEV VENKATARAMAN**

Head- ADAS Central  
Engineering Autonomous Mobility  
Continental Automotive India

A mobility that is accessible and barrier-free to all is the real smart mobility.
